

Hello,

Summer is around the corner, and we are busy here at the Rec. Department preparing for another fun summer! We want to make sure that you are ready for registration and are aware of several changes that we are making this year.

Registration for residents opens at 8:30am on **April 3<sup>rd</sup>** and non-resident registration opens at 8:30 am on **April 17<sup>th</sup>**. We highly recommend that you sign into your account in advance and confirm that your information is correct, especially your child's age and grade. If their grade is correct, it will automatically roll up on June 12<sup>th</sup>. Note, that it will **not** roll up on June 12<sup>th</sup> if they are listed as being in preschool. If your child needs this information corrected, you will need to call our office so we can make the update. Please call the office Monday through Friday between 8:30 and 4:30pm at (716) 652-8866.

If you are planning on signing up for day camp, please be aware that you need to complete the Online Health/Immunization Form to register. **NEW THIS YEAR**, you will be required to **upload a copy of your child's immunization record** to complete the Online Health/Immunization form. If your child's immunization record is updated after you have uploaded a copy. Please email the new copy to [recreation@townofaurora.com](mailto:recreation@townofaurora.com) or you can fax us at (716) 652-5646. Registration for the Online/Health Immunization Form is currently open, and we highly recommend that you complete it in advance of April 3<sup>rd</sup>. Click on the link below to register. Camp fills quickly and not completing the form or uploading the required immunization record means that you will not be able to register for a spot for camp.
