

Good morning,

Although it is technically still winter, before you know it, spring will be here, and school will be out for the summer! Get a jump on the summer and purchase your pool membership by June 9 to take advantage of the early bird discount. Also, for the first time we are offering a cash discount for all our programs.

Each year when you renew your membership, the card you received for your initial membership will automatically be updated to use again. The cards can be either digital or physical, your choice! Each time you go to the pool, you will need to have your membership card scanned. Please remember to keep your physical pool card from year to year! Beginning in 2026 we will be charging a nominal fee to replace lost cards.

The card has a photo attached to your account, not on the card. We ask that parents of young children have their child's photo taken every year or so since they grow so fast! New members this year will have to send us a headshot photo to: recreation@aurorarec.com or come into our office at 575 Oakwood Ave 2nd floor to have a photo taken. Our office is open Monday-Friday 8:30am- 4:30pm.

If you are interested in purchasing a pool Membership, please click on the link below for step-by-step instructions.

Memberships will be available for purchase on our website: www.aurorarec.com beginning March 10th. Please give us a call if you have any questions. 716-652-8866.

Sincerely,

The Town of Aurora Recreation Department
